

# *Cedar Creek High School*

## **Student Population**

We will open our doors for the first time in September of 2010 to 9<sup>th</sup> and 10<sup>th</sup> grade students for the 2010-2011 school-year. Each of the following years Cedar Creek will include an additional grade-level, and will be a complete 9<sup>th</sup> through 12<sup>th</sup> grade building for the 2012-2013 school-year. Cedar Creek High School will receive its students from every municipality within the Greater Egg Harbor Regional High School District.

We will serve as *the* high school for the communities of Mullica Township, Egg Harbor City, Port Republic, and the Green Bank area of Washington Township. Students from specific geographic areas of Galloway and Hamilton Townships (*School of Choice Program*) and the entirety of Galloway and Hamilton Townships through the *Magnet Programs* (Engineering and Environmental Sciences) will have the *option* of attending CCHS.

The specific geographic areas for the *School of Choice Program* will be as follows: in Galloway Township, the area north / west of Cologne Ave and the area of South Egg Harbor; in Hamilton Township the area of Laureldale (Route 50 and streets on both sides of Route 50 from the Black Horse Pike north to the Galloway Township border).

Students entering Cedar Creek in September 2010 as part of either the *School of Choice Program* or the *Magnet Program* will participate in Cedar Creek athletics and activities. It is anticipated these offerings will increase as the student population grows with the inclusion of additional grades in the school-years of 2011-2012 and 2012-2013.
