

Parent or Guardian,

Tired of worrying whether you gave your son/daughter money for lunch? Well, put your mind at ease. You can now pre-pay for breakfast and lunch. It's easy.

Simply write out a check, **payable to Sodexo**, in the amount of \$70.00. This will cover them for a full breakfast and a full lunch for 20 serving days. When they make a purchase, they will swipe their card and the amount will be deducted from their balance. We will inform your child when their balance is getting low so that you may replenish their funds.

If your child does not eat breakfast and or lunch every day, you can write a check in any amount. Keep in mind that a full breakfast costs \$1.25 and a full lunch \$2.25. If their status is reduced, a full breakfast costs .30 and a full lunch .40.

Please be sure to write your child's full name, as it appears on their student ID card, on the check. This will ensure that the money goes into the proper account.

You can pay one of two ways.

1. You can send the check in with your son/daughter and they can hand it to the cashier and she will put it directly on their account.
2. You can mail it to; Sodexo at Greater Egg Harbor, 1824 Dr Dennis Forman Drive, Mays Landing, NJ 08330, **Attn; Lunch Payments**

If you have any further questions, please feel free to call me at 609-909-2620.
