Dear Parent(s) or Guardian(s):

The Greater Egg Harbor Regional High School District provides an English Language Program for students who are English Language Learners (ELL).

Based on your child's English proficiency test scores, the State of NJ Proficiency tests (NJASK, HSPA), reading test scores, level of academic achievement, and teacher recommendation, we are pleased to inform you that your child will receive instruction in our district's ELL program. The goal of this program is to help your child learn English and meet age-appropriate academic standards.

You, as a parent or guardian, have the right to decline these services being offered to your child. However, participation in this program will help your child succeed in school. It must be understood that your child's academic progress may be limited should you decide against participation in this program.

If you do *not* wish your child to participate in this program, please call me at 609-909-2600 ext 2628 to set up a meeting to discuss your child's progress, or contact me at the above address by **Friday, September 30, 2011**.

We look forward to working with you to help your child be successful. Should you have any questions or concerns, please feel free to contact me at the above number.

Sincerely,

Mary Emilie Steinacker, Ed.D.
