Graduation

Our commencement ceremony is a formal way to celebrate the success of our graduates. Even though it is held outside on the athletic field, Absegami's Graduation has historically been a very respectful and enjoyable experience. Your continued cooperation to honor all the graduates is appreciated.

No air horns, whistles, or other noise makers allowed.

Ample seating is available for all who wish to attend, so tickets are not necessary. However, traffic is generally very heavy, so be sure to allow enough travel time.

Satellite parking will be available at Reeds Road/Roland Rogers Elementary Schools. Shuttle buses will transport guests to and from these locations beginning at 4:00 pm.

Your graduate will be assigned a seat during Senior Week Practice (generally the 3rd day). Be sure to ask which side of the stadium they are seated - Home/Visitor - so that you may sit in that same area.

Handicapped Seating/Parking are available from the Graduation Coordinator.
